

April 7, 1941.

Dear Bill:

I have just received word from Mr. Hayes that he could not get any Park for the 27th. I have proceeded to write Posey and Syd Pollack to see if there is any spot near Daytona Beach they could use us. In the meantime I have written to the Park in Augusta to see if we could get there to play. I was wondering, as a last resort if nothing else showed up, if it might not be a good idea to try and play in Daytona again on that day, if we could get a team to come in. I imagine we could get Charleston's Team, if none other. If we have any one in the Park this coming Sunday, we could announce the game there. It might be better than being idle, then too, the expenses would not be very big. Let me know what Dr. Slack thinks about this.

I am enclosing you Posey's address, so you could contact him directly, although I am going to write him in the meantime. His address is: Mr. S. H. Posey, 529 West Church Street, Orlando, Fla.

Day is leaving Tuesday for Camp, should arrive early Wednesday Morning. Be sure and let me know how the rookies look.

Very truly yours,

EM:CCJ

P. S. Did you find out what happened to Cozart. Ask Hooker if he saw him. I did not receive an answer to my last letter to him, and I am wondering if it is possible that he did not receive it. Mr. Manley says the agreement with the Ball Clubs is 50-50 after expenses for the Team, with the exception of Birmingham on the 4th of May, which is 40% of the gross.
